Class Prayer

My Soul Magnifies The Lord;

My Spirit Has Found Joy

In God, Who Is My

Savior, Because

He Has

Looked

Graciously

Upon The

Lowliness Of His

Handmaid.

Behold, From This Day Forward All Generations Will Count Me Blessed: Because

He Who Is Mighty, He Whose Name Is Holy, Has Wrought For Me His Wonders.

He Has Mercy Upon Those Who Fear Him, From Generations To Generations, He

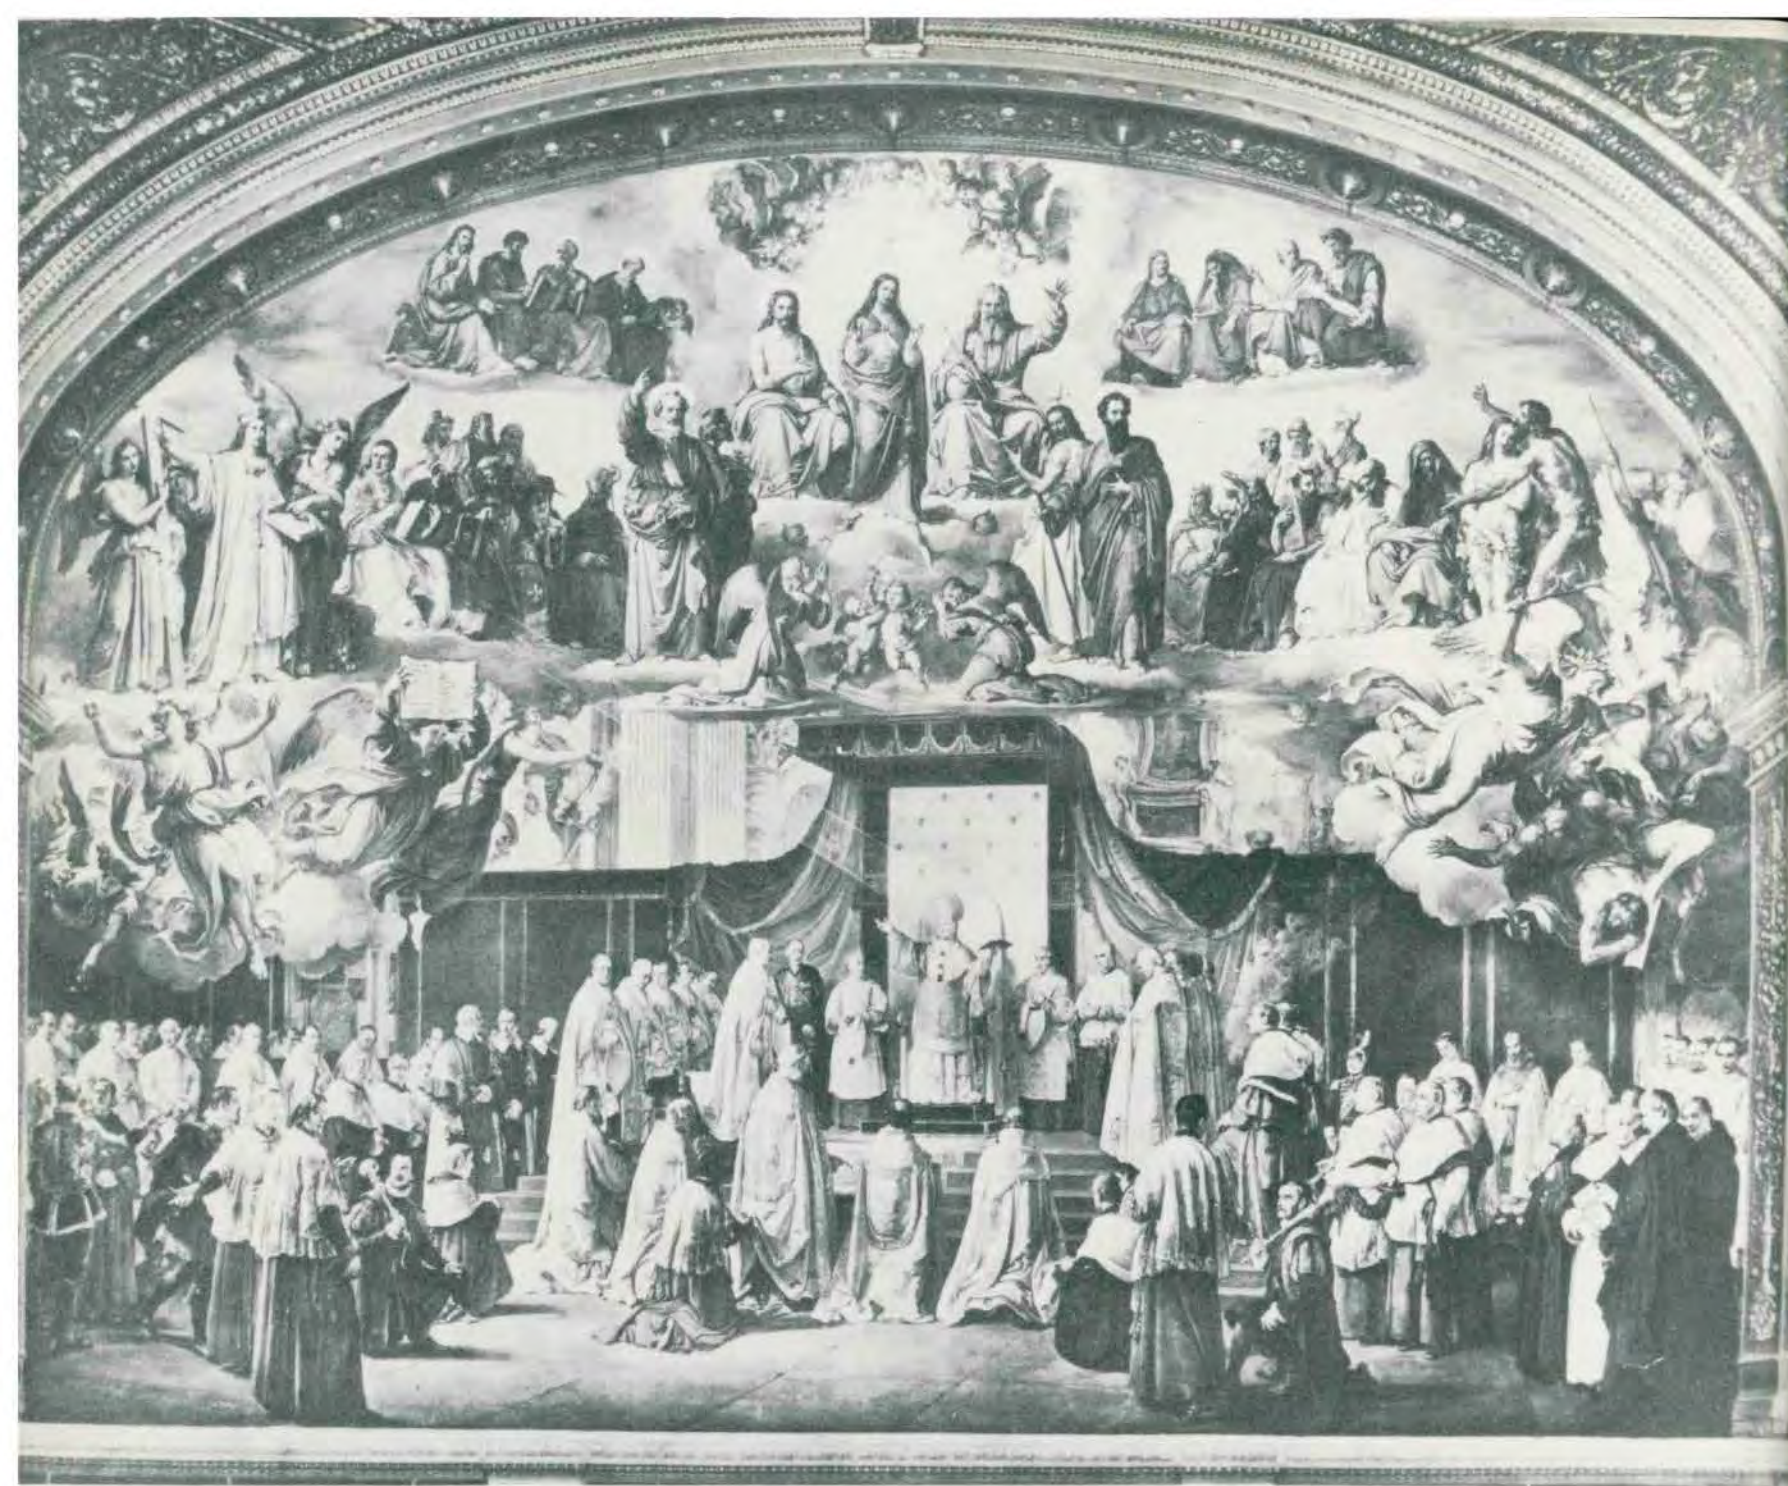

Has Done Valiantly With The Strength Of His Arm, Driving The Proud Astray In The

Conceit Of Their Hearts.

He Put Down The Mighty From Their
Seats, And Exalted The Lowly; He Has Fill-
ed The Hungry With Good Things, And Sent
The Rich Away Empty-Handed.

He Has Protected His Servant Israel,
Keeping His Merciful Design In Remem-
brance, According To The Promise Which
He Made To Our Forefathers, Abraham And
His Posterity Forevermore.

Immaculate Conception Proclaimed A Dogma

"Our speech overflows with joy, and Our tongue with exultation. We give, and We shall continue to give, the humblest and deepest thanks to Jesus Christ Our Lord, because through His Singular favor He has granted Us, unworthy though We be, to decree and offer this honor and glory and praise to His Most Holy Mother. We have therefore, a very certain hope and complete confidence that this Most Blessed Virgin will effect by her most powerful patronage that all difficulties be removed and all errors dissipated, so that Our Holy Mother the Catholic Church may flourish daily more and more throughout all the nations and countries and may reign "from sea to sea and from the river to the ends of the earth." (Ps. 71:8), and may enjoy genuine peace, tranquillity and liberty.

Let all the children of the Catholic Church, who are very dear to Us, hear these words of Christ. With a still more ardent zeal for piety, religion and love, let them continue to worship, invoke and pray to the Most Blessed Virgin Mary, Mother of God, conceived without original sin. Let them fly with utter confidence to this most sweet Mother of mercy and grace in all dangers, difficulties, needs, doubts and fears."

The radiant crown of glory, with which the most pure brow of the Virgin Mother was encircled by God, seems to Us to shine more brilliantly, as We recall to mind the day, on which, one hundred years ago, Our Predecessor of happy memory Pius IX, surrounded by a vast retinue of Cardinals and Bishops, with infallible apostolic authority defined, pronounced and solemnly sanctioned "that the doctrine which holds that the Most Blessed Virgin Mary at the moment of her conception was, by singular grace of the Omnipotent God, in virtue of the merits of the first Pope of the Human race, preserved

Welcomes
The
Marian
Year*

In union with Catholics the world over, the Catholics of the Burlington Diocese will participate with enthusiastic devotion in the Pope's proposed program of prayer, penance, and pilgrimage during this year of Our Lady. They will strive to conform their personal lives to the great example of Mary's virtues in order to be more worthy of her maternal assistance. They will keep in mind the special intentions of the Holy Father, namely: the spiritual and moral welfare of the youth of the world, and that domestic life "may be conspicuous for inviolate faithfulness, and that it may flourish through the proper and saintly education of its children, and be strengthened by true concord and mutual help."

SENIORS

In Mary's Keeping

Mary, we have tried. But our efforts seem so pitiful in comparison to the task - preparing the class of 1954 for their journey home. Truly it is for heaven that we would educate them, yet the hazards of this life are very real.

Some will live long; others---

Some will marry happily; others---

Some will be strong; others---

Important as all this is, Mother Mary, our prayer on this their graduation day is the prayer that you would bring them all - without exception - home safely to the feet of the King of kings - your son's.

You of the Class of '54 be grateful - grateful that you have graduated during this Marian Year. Keep her protective mantle about you and whatever else goes wrong, it will matter little. May God bless you and Mary keep you always.

Class President's Address

What a flood of memories some grave, some gay, sweeps over us as we realize this is the last time we shall meet within these hollowed walks as the class of '54. Here the loving hearts of parents, teachers and friends beat high over our achievements of the past four years. Here too, they have sorrowed with us over our failure to meet the high standards set for us.

These are now things of the past. Whether we will or not, we must go forth to take our places in the fearsome world, but we face it unafraid under Our Lady's guiding hand. Imbued with the principles for which our Catholic High School stands we have set our sights high under Mary's patronage in Her Years.

Be ours the task to help to establish world peace, we shall remake the world on Mary's pattern. Ambitious as our schemes are, we will accomplish them if as individuals we are willing to work not for self, but for the common good.

Helped by the prayer and the example daily set before us by our beloved principal Father Lynch who has conducted us in paths traced out by Mary's Son and our teachers who "doubling for Mary" have led us to His feet.

May it be justly said in some future day of the Class '54 -- Our love for Our Lady is a light to guide the paths of men to Christ.

And Holy is His Name

Retreat days--the most important of our year at the Academy. This year we were privileged to have our own Father Lynch as retreat-master. "Lord that I may see" we prayed and examined the challenging questions "Who am I - Where did I come from - Why am I here?" We derived many benefits from Father's talks, but perhaps one of the most valuable will be the complete understanding and confidence in our confessor with which he inspired us.

Because Mary is part of all that we do at the Academy, Father closed the retreat with a talk on Our Lady--Our Life, Our Sweetness, and Our Hope.

Motu Proprio Celebration

Academy students and parents marked the Golden Jubilee of Pius X by attendance at a demonstration Mass held at St. Peters Church. They were privileged to have Reverend B. A. Ehmann of Watkins Glen, New York as narrator, who explained the parts of the Mass, the origin and the purpose of its ceremonies. He told those present of Pius X's wish that the laity should participate actively in the Holy Sacrifice by singing and praying aloud. On the following morning, in response to his appeal, the students sang a solemn high Mass. In the afternoon a panel discussion was held in the Academy gym. Monsignor Wm. A. Crowley, our diocesan Superintendent of Schools, was chairman. Father Fitzsimons, Father Whitson, Brother Malachy, and Father Lynch discussed the "People's Part," "The Place of the Organ," and "The Choir's Part" in connection with the "Motu Proprio of Pius X."

a sense of pride in a job well done as well as a feeling of regret pervades us, as we sigh: "It's been wonderful! We're going to miss it all so! Many thanks to our director, Sister M. Emmanuel, who made possible for us these many profitable and enjoyable experiences.

Fiat Lux

The Drama Club's stirring presentation of the modern mystery play "Fiat Lux" (Let There Be Light) inspired renewed appreciation of the light and warmth of faith.

Azariah, embittered by the death of his wife and two children, has his faith in God restored through the ministrations of his friend, Father Ambrose and an encounter with heavenly visitants.

Azariah's (R. McNamara) loss of faith leads to refusal of Father Ambrose's (W. Tilden) friendly gestures.

Azariah is strangely drawn to the lost soldier (Terry Hannon)

Mission Crusade

Every year at the Mount the students donate items of food to make people less fortunate than themselves, happy at Christmas. These Christmas baskets are completed with donations from the alumnae.

This organization does many good works. Its special project is the collecting of cancelled stamps. The Mission Crusaders remind us "Every stamp helps a mission somewhere." A Spiritual bouquet for the "Church of Silence" has been forwarded to the Holy Father for Easter. Their Christmas work consists of sending cards, clothing, toys, etc. brought by pupils of the academy. Pictured at the left using Christmas cards and making Merry Bells are: C. Campell, C. SCHOLARSHIP LEADERSHIP ABILITY

These three qualities are the chief requisites for Monitor posts and regulate the choice of delegates to Girls' and Boys' State. Monitors are chosen by the Student Council. The faculty council vote for delegates to Girls' and Boys' State at the end of the Junior Year and these students enjoy a week at Vermont Junior College and Norwich U. respectively learning the practical application of the principles of our government.

Student Council

This year the Second Annual Vermont State Student Council Convention was held in Rutland on November 20 and 21. Mr. Howard Ackley, President of Green Mountain College and Mr. Leonard Morrison, State Tax Collector, gave inspiring talks on the practice of democracy and good citizenship in school and in later life.

The Students participated in eighteen excellent discussions. Perhaps the most interesting and helpful to M. S. J. Students was the discussion on "Writing a High School Student Handbook," in view of the fact that a handbook is one of the projects of our Student Council this year.

Friday evening was set aside for social events; a show of local talent followed by a dance.

One of the convention highlights from the delegates point of view was the hospitality offered them in private homes. The Convention provided fine opportunities for exchanging ideas, of listening to inspiring talks and for the making of new and long-lasting friendships. The Second Vermont Student Council Convention did all this.

It was a success.

Technique Of Dancing Taught

Dancing lessons have become an active part in the Academy curriculum this year. Held on Thursday evenings in the school gym for several school days, the lessons were designed for the proper technique of dancing.

MR. MOORE
Advisor

The senior class on Thursday, September 24, began the procedure of electing class officers by opening nominations for the four different offices. On Friday, September 25, nominations for the Senior Cabinet were held and also the primary elections which narrowed the contestants down to two for each office. Finally on September 28 the class voted both for the officers and for the Senior Cabinet. The results were: Robert Gillam, President; Basil Nichols, Vice President; Perry, Secretary.

Frosh Welcomed

The freshman class of "57" were given a day long reception at the Academy on Friday, October 2. The girls wearing pigtails and the boys with green bows arrived at 7:50 A.M. and under the guidance of the Senior class were showed around the grounds. After classes were completed the Freshmen were brought to the gym and with the Seniors acting as teachers were instructed in such things as dancing, cheering, and biology. The day was topped off with a dance given by the Sophomores in the evening.

At 8:00 A.M. a crew of Freshman boys under the guidance of Ralph Bove were shown the parking lot where they proceeded to polish all the cars. Thomas Creed eagerly surprised the King of the Holyton, Forded of the Ford as V.
